# PANELS

## & Distribution Boards

---

---

SA Panels have been marketing and supplying the electrical industry with Panels and Distribution Boards for more than 30 years, and collectively (Jimmy Steele, Shane Steele and Don Bray) have over 142 years of experience invested in this market.

Our primary objective is to continue supplying the electrical industry with a full range of Power Distribution Panels of top quality, complying with all S.A.B.S specifications at affordable prices.
